I'm going to recommend that at minimum, Ale ought to take this, and say that Joe should join if he'd like. Please let me know if you have additional thoughts.

**Subject:** API Meeting Request for Joe Goffman & Alejandra Nunez

Good afternoon Delaney,

I hope this email finds you well and hard to imagine we have been working remotely for over a year now.

I am reaching out as a group of the API member companies would like to schedule a meeting with Acting Assistant Administrator Joe Goffman and Deputy Assistant Administrator for Mobile Sources Alejandra Nunez to discuss the Renewable Fuel Standard's upcoming Renewable Volume Obligation rulemaking as well as other mobile source/fuels priorities.

We believe a meeting to touch base on these issues would be mutually beneficial as Mr. Goffman and Ms. Nunez continue to acclimate to their new roles. I understand they are incredibly busy, and only ask for about thirty minutes of their time in the coming weeks. Please let me know if you need any other information and thank you for the consideration.

All the best,  
Alex
